Ingredients

- ☐ 3.4 oz pack of Instant Vanilla Pudding
- ☐ 2 cups of Cold Milk
- ☐ 14.5 oz can of Sweetened Condensed Milk
- ☐ 8 oz Container of Cool Whip or Whipped Cream
- ☐ 4 Bananas
- ☐ Chessman cookies (one Pack)
- ☐ Nilla Wafers

1) In a large bowl, whisk together the instant vanilla pudding mix, cold milk and sweetened condensed milk for about 2 minutes, until smooth. Let the pudding sit for 5 minutes to thicken, then gently fold in the cool whip until fully incorporated.

2) In a 9x13 inch dish or trifle bowl, arrange a really thin layer of wafers and chessman cookies (don't over do it), followed by a layer of sliced bananas. Spread over one third of the pudding mixture then repeat the layers two more times, finishing with the remaining pudding.

3) Top the pudding with a final layer of chessman cookies, cover and refrigerate for at least 6 hours, preferably overnight, to allow the cookies to soften and the flavors to meld.

4) Slice, serve chilled and enjoy.
