Ingredients
__1-1/2 cups All Purpose Flour
__1/2 tsp Salt
__1/2 tsp Baking Soda
__1 Eggs
__1 tsp Vanilla Paste
__1/2 cup of Unsalted Butter softened at room temperature
__1/3 cup of Granulated Sugar
__1/3 of a Cup of Brown Sugar
__1 cups White Chocolate Chips
__1 cup of Fresh Strawberries, diced
__Zest of 1/2 of an Orange

1) Preheat your oven to 375 degrees.

2) Combine together the first 3 ingredients and set aside.

3) In a mixer bowl fitted with a paddle attachment, cream together the butter and both sugars. Add the eggs, orange zest and vanilla and mix together until all creamy and combined. Scrape down the sides of the bowl to make sure everything is mixed well.

4) Add the dry ingredients and mix just to combine. Add the chocolate chips and strawberries and mix just to distribute them through the batter.

5) Using a small ice cream scoop, drop the cookie dough 2 inches apart onto an un-greased baking sheet and bake for 10 to 12 minutes, until lightly golden brown around the edges.

6) Cool for 5 minutes on the baking sheet then remove onto wire rack and cool completely.
