## Ingredients

For the	Choco	late Ice	Cream	Rase

- \_\_5 Egg Yolks
- \_\_3/4 cup of Granulated Sugar
- \_\_2 cups of Whole Milk
- 1-1/2 cup of Heavy Cream
- 1/3 cup of Cocoa Powder
- \_\_5 ounces of Semisweet Chocolate, broken into pieces
- \_\_1/4 tsp of Salt
- \_\_1/2 tsp of Instant Espresso Powder
- \_\_\_

## For the Toppings:

- \_\_1/2 cup of Honey Roasted Peanuts, or any nut you like
- \_\_1 cup of Mini Marshmallows
- \_\_1/2 cup of Semisweet Chocolate Chips

- 1) In a large bowl, using a handheld electric whisk, whisk together the eggs and sugar for 3 to 4 minutes or until the mixture turns a thick pale color, set aside.
- 2) In a medium saucepan, add the milk, cream, instant espresso and cocoa powder, bring a simmer but dont let it boil.
- Whisk 1 cup of the hot mixture into the egg and sugar mixture and whisk until smooth.

- 4) Pour the egg mixture into the saucepan with the remaining milk and egg mixture and cook over low heat for about 5 minutes or until the mixture thickens.
- 5) Add the broken chocolate pieces to a large bowl and set aside. Strain the mixture through a fine sieve in the large bowl over the chocolate, allow it to sit for a couple minutes. Whisk it all together until the chocolate is melted, cover the bowl with a lid or plastic wrap and refrigerate for a minimum of 4 hours or up to overnight.
- 6) Make sure to put your ice cream machine insert in the freezer overnight.
- 7) Add the custard in your frozen ice cream machine insert. Turn the ice cream machine on and freeze according to manufacturers instructions (mine takes about 35 minutes).
- 8) When your ice cream has about 5 minutes left in the machine, add the toppings, allow them to get well incorporated. Remove the ice cream from the machine, place it in a container with a tight fitting lid and stick it in the freezer for several hours to freeze and firm completely.
